- C
- JAVA
- JAVASCRIPT
- HTML
- CSS
- Effective Communication
- Critical Thinking
- Teamwork

PROFILE

I am a BSCS student currently in my second semester, with a keen interest in software and web development. I have a basic understanding of C, Java, JavaScript, HTML, and CSS. I enjoy learning new technologies and building simple projects. I am looking for opportunities to grow my skills and gain real-world experience through internships or collaborative work.

WORK EXPERIENCE

2024 - PRESENT

- Academic projects
- Personal projects
- Volunteering or part-time tasks (if any)
- Technical workshops or coding practice
- Designed and developed a responsive personal website using HTML, CSS, and JavaScript.
- Showcased programming skills and future project work.
- Practiced using VS Code and improving design layout.
